

PRIVACY POLICY www.theislandfestival.net

In accordance with the European Data Protection Regulation 679/2016 and the Organic Law 3/18, we inform you that the personal data that you have facilitated has been stored in a file under the responsibility of MUSA SRL whose purpose is to manage the access or, where appropriate, e-mail advertising.

Your data will be stored only for as long as necessary to establish the relationship, or while you are registered. You can exercise the right to access, limitation, portability, rectification, cancellation and opposition of your data via the e-mail address info@theislandfestival.net.

In accordance with the European Data Protection Regulation 679/2016 and the Organic Law 3/18, we inform you that the personal data that you have facilitated has been stored in a file of responsibility of MUSA SRL whose purpose is to develop a segmented profile and to send an informative newsletter that may contain advertising aspects of its own or of third parties. Your data will be stored only for as long as you are subscribed to the e-mailing. You can exercise the right to access, limitation, portability, cancellation and opposition of your data by writing to the e-mail address info@theislandfestival.net.

We will reply to any enquiries. Do not hesitate to get in touch should you need to at info@theislandfestival.net.

In accordance with the European Privacy Regulation 679/2016 and Organic Law 3/18, we inform you that the personal data you have provided has become part of a file under the responsibility of MUSA SRL and that they have several purposes:

Access to accounts on third party services:

- **Stripe account access (Stripe Inc):** this service allows this website to connect with the user's account on Stripe, provided by Stripe, Inc.
Personal data processed: various types of data as specified in the privacy policy of the service.
- **Dice account access:** this service allows this website to connect with the user's account on Dice, provided by Dice.
Personal data processed: various types of data as specified in the privacy policy of the service.

Contact the user:

- **Mailing list or newsletter (this website):** by registering to the mailing list or newsletter, the user's email address is automatically added to a list of contacts to which e-mail messages containing information, including commercial and promotional information, related to this website may be transmitted. User's e-mail address may be added to this list as a result of registering on this website or after making a purchase.
Personal data processed: e-mail, name, surname, city, telephone number.
- **Contact form (this website):** by filling in the contact form with their data, the user consents to its use to answer to requests for information, quotes, or of any other nature indicated by the form header.
- **Personal data processed:** e-mail, name, surname, city, telephone number.

Pay Management

Unless otherwise specified, this website processes all payments by credit card, bank transfer or other means through external payment service providers.

In general, and unless otherwise stated, users are requested to provide payment details and personal information directly to such payment service providers.

This website is not involved in the collection and processing of such information: instead it will only receive a notification from the party of the payment service provider in question that the payment has been made.

- **Stripe account access (Stripe Inc):** this service allows this website to connect with the user's account on Stripe, provided by Stripe, Inc.
Personal data processed: various types of data as specified in the privacy policy of the service.

Registration and authentication

By registering or authenticating, the user allows this website to identify him and to give him access to dedicated services.

Depending on what is indicated below, the registration and authentication services could be provided with the help of third parties. If this happens, this website may access some data stored by the third-party service used for registration or identification.

Some of the services listed below may also collect personal data for targeting and profiling purposes; to learn more, please refer to the description of each service:

- **WordPress.com Single Sign On (Automattic Inc.):** WordPress.com Single Sign On is a registration and authentication service provided by Automattic Inc. and connected to the WordPress.com network.
Personal Data processed: various types of data as specified in the privacy policy of the service.

Registration and authentication directly from this website

By registering or authenticating, the user allows this website to identify him and to give him access to dedicated services.

Personal data is collected and stored solely for registration or identification purposes.

The data collected are only those necessary to provide the service requested by the user.

- **Direct registration (this website):** the user registers by filling out the registration form and providing his personal data directly to this website.
Personal data processed: e-mail, name, surname, city, telephone number.

Hosting and backend infrastructure

This type of service has the function of hosting data and files that allow this website to function, allow its distribution and make available a ready-to-use infrastructure to provide specific features of this website.

Statistics

This website uses tracking tools to measure traffic and analyze users' behavior in order to improve the service.

- **Google Analytics (Google LLC):** Google Analytics is a web analytics service provided by Google LLC ("Google"). Google uses the personal data collected for the purpose of tracking and

examining the use of this website, compiling reports and sharing them with other services developed by Google. Google may use the personal data to contextualize and personalize the advertisements of its own advertising network.

Personal Data Processed: cookies and usage data.

Further information on personal data

Profiling: the data controller may process the usage data collected through this website to create or update users' profiles. This type of treatment allows the owner of this website to evaluate the choices, preferences and behavior of the users for the purposes specified in the respective sections of this document.

Users' profiles can also be created thanks to automated tools, such as algorithms, which can also be offered by third parties. The user has the right to object to this profiling activity at any time. To learn more about the user's rights and how to exercise them, the user can refer to the section of this document relating to users' rights.

Personal Data collected through sources other than the user: the owner of this website may legitimately collect personal data related to the user without his involvement, drawing on sources provided by third parties, in accordance with the legal bases in the section relating to the legal bases of the processing.

If the owner has collected personal data in this way, the user can find specific information about the sources by contacting the owner of this website.

Selling goods and services online: the personal data collected is used for the provision of services to the user or for the sale of products.

Users' rights

Users have the right to:

- withdraw consent at any time;
- oppose the processing of their data;
- access their data;
- verify and request rectification;
- obtain the limitation of the treatment;
- obtain the cancellation or removal of their personal data;
- receive their data or have them transferred to another owner;
- propose a complaint.

How to exercise users' rights

To exercise the user's rights, users can send a request through the contact details of the owner of this website, indicated in this document.

Requests are filed free of charge and processed by the owner of this website as soon as possible and in any case within one month.

Cookies

This website uses tracking tools.

To find out more, please consult the Cookie Policy of this website.
